

ENGLISH LANGUAGE PROGRAM

Our programs and services support you on your language journey, whether it is casual learning, conversational learning, or formal training toward the Language Instruction for Newcomers to Canada.

ENGLISH CLASSES

English Classes are open to people whose first language is not English. What do our classes offer?

- ✓ Opportunity to practice English Language and chance to meet new people
- ✓ Improving vocabulary, grammar, reading comprehension and conversational skills
- ✓ Programs that improve English learners basic and intermediate reading, writing, listening and speaking skills

TUTORING & OST PROGRAMS

KULAN provides private tutoring to K-12 students. We offer several types of academic support, such as 1-on-1 tutoring, small group classes and online teaching. Our 1-on-1 classes are based on the principles of Direct Instruction method which has proven superior to others.

We help our students meet and exceed academic expectations. We teach reading, Writing, Math, English, Cultural and Islamic studies.
